expect the best

*"emerging residential
company of the year
2010"*

"Quality is never by chance. It is the result of endless adherence to a well-defined process. It is my personal commitment that Orris will not just deliver superior but above expectation realty solutions. Expect nothing less than the best from us".

Mr. Vijay Gupta, the Chairman and Managing Director of Orris Infrastructure Pvt.Ltd.

Nestled at prime locations in Gurgaon, all Orris projects concentrate on eco-friendly construction practices, land as well as its location is the core of every realty project.

The company concentrates on providing premium services to their clients in a most responsive and communicative manner. The team work is evident in the fact that they strive to achieve the common goals through open communication, mutual support and a very positive attitude.

Orris has the best architects from around the world who design with an astute sense of blending spatial compatibility with trendy architecture. The company believes that each project is to be delivered on time and each of the initiatives is directed to build trust in its clients.

The focal point of the company is to achieve the highest possible standards and establish trust, integrity and transparency with all its customers.
